

## **1/4" HD PABBLE™ ( Kraft Paper laminated to Extra Heavy Duty Bubble )**

**HD Pabble - Paper-Backed 1/4" Bubble Wrap** is a 100% recyclable, **extra heavy duty** insulating, cushioning & wrapping material. RipplePak's newest Pabble™ uses a nylon infused polyethylene film providing for a strong tear and puncture ultra resistant wrapping. This added material, eliminates the chance of tearing or piercing. This is ideal for wrapping fragile items when moving or storing. Used when added cushioning and protection is required. Simple to use and extremely durable.  
**ROLL SIZE:- 1/4" x 48" x 250'** – *Samples and Pricing available upon request.*

### **1/4" Extra Heavy Duty Pabble™ Features**

Superior strength due to the inclusion of nylon to the film during the manufacturing process thereby greatly reducing any chance of damage to wrapped products during shipping or storage.

Ideal for wrapping furniture, pictures, mirrors, ornaments, figurines, lighting, art, glass products and many other fragile products.
