

PABBLE™

(Kraft Paper backed Bubble Wrap)

Pabble - Paper-Backed Bubble Wrap is a 100% recyclable, insulating, cushioning & wrapping material which has helped the moving industry drastically reduce damage while loading and during shipping. Ease of handling reduces time and therefore labour costs.

RipplePak's Pabble™ is a unique laminate of bubble and Kraft paper **as well as** an added layer of a non-woven fabric that provides a stronger wrapping that greatly reduces the chance of tearing or piercing. This is ideal for wrapping furniture when moving or storing. You can choose to have this product laminated in white or brown Kraft paper backing. Simple to use and durable.

SIZES - 3/16" x 48" x 250' – Pricing available upon request.

Pabble™ Features

Superior strength due to the inclusion of a layer of non-woven fabric reducing the chance of damage to furniture during shipping and storing. This greatly reduces tearing and piercing.

Ideal for wrapping furniture, pictures, mirrors, ornaments, figurines, glass products and many other fragile products.
